Dear Bethpage Reservation System Users

Effective Thursday, October 9, to further protect online reservation availability and ensure fair access for all users, we will be adding a **2 Step Authentication/ Booking Code Feature** to online tee time reservations. Here's what you need to know:

How It Works:

- Go to the online booking portal as usual.
- Choose your desired tee time.
- After selecting your time, you'll be asked to **enter a Booking Code** before completing the reservation.
- Check your email. A **one-time code** will be sent to the email address tied to your account.
- Enter the code into the Booking Code field to confirm your booking.

FAQ:**Q: What happens if somebody attempts to book a reservation without a Unique Identifier (UID) code?**

A: The booker will encounter an error advising them to enter the booking code sent to their email to complete the reservation.

Q: A customer that did not receive the email. What happened?

A: The customer should check their junk/spam folders. Once the email is found, mark the sender as safe (how to do this varies by email provider). If the email still cannot be found, please reach out to Bethpage State Park.

Q: Can the same UID code be reused for another tee time?

A: No. Each UID code is specific to a single reservation and expires after use. A new code will be generated for every booking attempt.

Q: How long is the UID code valid?

A: Codes are valid for the duration of the 5-minute tee time timer. After expiration, the user must restart the booking process.

Q: Can the UID email be sent to a different email address?

A: No. The code is sent only to the email associated with the user account making the reservation.

Q: What should I do if I accidentally closed the browser, or I lose the code?

A: Restart the booking process, a new code will be sent.

Q: If someone books for multiple players, who receives the UID code?

A: The UID code is sent to the primary booker (the user logged in and selecting the tee time), regardless of the number of players added.

Please email BethpageSP@parks.ny.gov if you have any questions regarding this new feature.
